

TRINITY COLLEGE
GIVING DAY

April 12, 2022

BUILDING TOGETHER
Bantams Supporting Bantams

Trinity College
HARTFORD, CONNECTICUT

Not one challenger, but many—with small goals building to one large goal of **Bantams supporting Bantams.**

Each milestone along the way unlocks challenge funds in support of today's Bantams. So by the time 2,000 donors make a gift, **our community will have released a total of \$500,000 for Trinity students.**

That's where you come in—your gift in honor of your Reunion is essential.

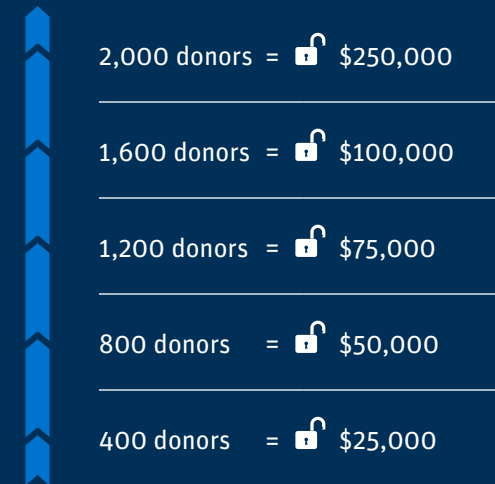

Imagine the futures Trinity students can build when we join together to support the next generation.

As our students work to make their dreams reality, **two funds at Trinity provide critical support: the Trinity College Fund and the Financial Aid Fund.** Though gifts to any area of the college count toward the challenge, these two funds provide immediate support toward Trinity's greatest needs.

Give an amount that's meaningful to you, at any time between April 4 and April 13, to help reach these milestones and the overall goal of 2,000 donors.

Coming together to increase our impact on the future of Trinity's students.

As each milestone is reached, we get closer to **unlocking \$500,000 total!**

Support Trinity today!

Your generosity in honor of your Reunion builds on that of others in the Trinity community—alumni, families, and friends—to connect today's Bantams to a transformative education.
